

## ANARE Club April 2024 Newsletter

On a day of reflection we remember all those who have served Australia in the military, in Antarctica and in other endeavours.

We especially honour those who paid the ultimate price for their service.

**Lest We Forget.**

## Antarctic Women's Network

[antarcticwomensnetwork@outlook.com](mailto:antarcticwomensnetwork@outlook.com)

## CALLING ALL ANTARCTIC WOMEN

You are invited to participate in an exciting exhibition 'Through our Eyes' for the Australian Antarctic Festival 2024 to be held in Hobart. This project is an Australian-French collaboration as part of a Women in Antarctica project for the Festival.

The aim of the project is to showcase how Australian and French women see and experience Antarctica, with more and more women working in and with Antarctica.

We are looking for women with diverse experiences working in the Antarctic sector, they need not have been to Antarctica as part of their work. We invite women, those who identify as women, and other underrepresented groups, to participate in the exhibition. Please note that the 'Antarctic' includes the Antarctic, Sub-Antarctic, and Southern Ocean sectors.

Participants will be required to provide 3 photos and an audio recording by 30th of April 2024. Should you wish to participate, please email [antarcticwomensnetwork@outlook.com](mailto:antarcticwomensnetwork@outlook.com) for instructions.

## **2024 Membership Survey Open Now!**

On 7 April ANARE Club members should have received an email with a SurveyMonkey link to this year's Membership Survey. We're up to 100 responses so far and it would be great to double that!

If you're a member and didn't get the link, please check your junk / spam folder; and if you still can't find it, request it again by replying to this email! Please do the same if you or someone you know needs a paper copy.

**The 2024 Membership Survey closes  
at 6pm on 12 May.**

Our Membership Surveys are critically important to guide the future management of your Club, so don't forget to click your link and have your say!

Don't forget...

## ICE PACT

**at the Albury LibraryMuseum until 26 May 2024**

If you're in or passing by Albury, drop in to see this remarkable collaboration between Jorg Metz (Lab Manager, Casey 2011-12) and artists Ray Pierce and Dierdre Outhred.

ICE PACT features over 30 works of art and audiovisual pieces covering Antarctic fauna and flora, geography, general ecology and the human impact in Antarctica.

More details [here!](#) Entry is free.

## **ANARE CLUB NOTICES**

Don't stop reading! Important matters ahead...

---

### **National Council Meeting - This Saturday!**

**27 April 1:30pm AEST**

The National Council is meeting this Saturday afternoon via Zoom.

If you're a Club member and would like to observe the meeting, please reply to this email to be sent the link. We would love to see you!

Meetings take about two hours and observers are welcome to ask questions at the end before we close.

---

**Don't forget -**

**membership subs are going up to \$50**

If you have an automatic subscription renewal with your bank, please remember to update the amount before it's deducted!

---

## Enjoying the Newsletters? That's great!

Bringing you the newsletters is a lot of fun and we hope you're enjoying them!

From July the Newsletters will be sent to members only, so don't forget to renew or reinstate your membership if you've let it lapse. We'd love to keep you or have you back!

Contact Club Treasurer and Membership Officer Chris Eavis to reactivate a lapsed membership:

✉ [treasurer@anareclub.org.au](mailto:treasurer@anareclub.org.au).
