

WA Branch Mid-Winter Dinner – June 2015

Informality was dress code at the Perth MWD (the first for some years) held at **Jeremy Wills** home on 13th June. Around 30 guests were welcomed by our Emperor penguin mascot, and all enjoyed a relaxed evening of Antarctic fellowship.

We had a wonderful mix of 'grey-beard' pioneers through to recently returned expeditioners, and were treated to some fabulous images and videos from over the years. **Phil Crosby** gave a short pictorial of his summer trip to Davis and Mawson in 2004. The 'calling of the years' noted **Bruce Webster** (MQ55) and **Ron Wiggins** (Wilkes 65) in attendance

Full marks to the chefs (Jeremy Wills and Mark Lagemann), and the ladies, who prepared the excellent 'roast-on-a-spit' dinner and a wonderful array of salads - with Mark Lagemann's chilli

gravy stealing the show.

An excellent evening all round, with \$60 left in the kitty that has gone to the [Mawson's Huts Restoration Fund](#).
